COLLECTION
OHMM's Keywest collection is a modern reworking of an old classic. Turning the classic curvy lines into more gracious curves gives this collection a modern reflection. Woven in herringbone 2 x 2 weave style in 7mm fibre pays tribute to its heritage whilst subtly projecting a rich texture and distinctive look. It will look at home in both traditional and modern setting.

CUSTOMISATION
Choose your Rehau® fibre and fabric colours to accentuate your traditional or modern look. Seating is spaced for comfort and there is some room to compress gaps between chairs.
