COLLECTION

The Marbella sun lounger is based on a classic design – comfortable with an adjustable backrest, yet lightweight and remarkably sturdy. Designed specifically for hospitality and condominium poolside applications where high usage and low maintenance are key factors, whilst adding an uncomplicated aesthetic value. The sun lounger is designed specifically to use without a cushion, simply with a pool towel is sufficient, and is complemented perfectly with a matching side table. Available in an array of fibre colours to pair with any poolside colour scheme.
