CHARACTERISTICS
Distinctive | Stylish | Colourful

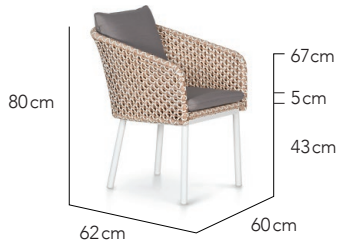

COLLECTION

Embracing a centuries old weaving pattern, OHMM's new Verano collection with colourful and distinctive open weave gives a playful breeziness which contrasts with the smooth powder coated legs. A carefully curated series of distinctive and intricate colourways, comfortable and playful, the styling will bring a subtle and sophisticated look to brighten up any space. Tables are available in various sizes fitted with scratch and weather resistant high pressure compact laminate tops, and the frame is powder coated aluminium.

CUSTOMISATION

Choose your fibre, fabric and table top colours to style it your way.
