## ABOUT US

## OUR STORY

Founded in 2007 by Kevin Boland during a sabbatical from Hong Kong corporate life to build his dream villa in Phuket, Thailand. Struggling to find modern durable outdoor furniture, he discovered synthetic rattan and fell in love with it. OHMM was born there and then.

## WHAT WE BELIEVE IN

We have a simple philosophy - that great design gives us pleasure and improves the quality of our lives through products that are comfortable, durable and add to the aesthetics, transforming every outdoor space into a tangible and distinctive experience for customers.

## WHAT WE DO

For nearly two decades, OHMM has been helping clients around the world create inspirational outdoor spaces for their customers - to relax, rejuvenate and to create memorable moments with family and friends under the open skies - from hotels and resorts, condos, restaurants, cruise lines, social and golf clubs, schools, universities, embassies, marinas, corporate offices, retirement homes, fitness clubs, spas and more. Along the way, we've developed a clear understanding of our clients' needs.

## HOW WE DO IT

Our HQ and flagship showroom is in Singapore coupled with our own manufacturing facility in Cebu, Philippines where we meticulously manage and quality control every step of the production process. With this integration, we are uniquely placed in the industry to provide customised world class solutions for our clients.

---

## WORLD CLASS QUALITY

We place a huge emphasis on quality, and then some. All OHMM furniture is lovingly handcrafted in-house with care and pride using only best-in-class materials. Combine this with the world's best woven furniture craftsmen in Cebu, Philippines - a little known secret - and we believe you have a product that is simply world class.

## DESIGNS & CUSTOMISATION

In addition to offering a wide choice of products - from balconies, dining, bar, lounging to poolside - we offer an unparalleled choice of finishing colours - from fibre, fabrics to table tops, and more - so clients can customise OHMM products to optimise and pair well with their outdoor spaces.

## OHMM DESIGN STUDIO

We bring a wealth of experience in planning exterior spaces when it comes to outdoor furniture. From providing space planning to appropriate collection design choices and mix, and finally finishing colourways - that will achieve the overall look and feel as well as the functionality that clients want. We support this with samples of finishing materials and also offer a mock up service of actual outdoor furniture elements where we can, to help clients visualise the proposed solution.

## DURABILITY & LOW MAINTENANCE

We have experimented with other materials but none are as durable or low maintenance as woven synthetic rattan. So we just focus on making world class quality synthetic rattan outdoor furniture. Not only does synthetic rattan last with its robust physical properties and low maintenance, it comes in a wide choice of colours and profiles allowing greater design freedom. It's also repairable too.

## WARRANTY

It's rough out there - humidity, wind, rain, sunshine, sea salt as well as heavy usage. Buying quality outdoor furniture products that come with a solid warranty is essential to protect your investment and for peace of mind. We stand behind our woven products with a 5 year warranty against defective materials and workmanship.

## OUR TRACK RECORD
